READY TO SHAPE THE FUTURE OF GLOBAL JUSTICE?

Merge your **passion for justice** with the ability to make an impact and connect, becoming a **cornerstone of human rights** defense.

Learn to effectively argue and promote rights protection across different legal contexts and understand and navigate the complex global scenarios where these rights are challenged. Actively engage in crafting **legal strategies and advocacy campaigns** on international platforms.

Become the **voice of justice** in our **interconnected world**. Empower yourself to advocate for **human rights** globally, interpreting laws and championing equality with **unwavering commitment**.

IS INTERNATIONAL HUMAN RIGHTS LAW RIGHT FOR YOU?

Studying International Human Rights Law is for you if you have a deep passion for justice, are motivated by advocating for others' rights, and wish to **contribute to significant global change**. This program is for individuals determined to specialize in Human Rights, whether you're a law student, an NGO employee, or a public worker in this field. It's for those who are capable of **embracing global perspectives** and tackling the **complex challenges** of protecting and promoting human rights, no matter how daunting they may be.

Internship

At UCAM, we prioritize your career success. That's why we've established **partnerships** for **internships** with leading **companies** across the Region of Murcia and throughout Spain, ensuring you have access to **top-notch professional opportunities**.
