Study recommendations

It is fundamental for the correct understanding of the subject attendance to classes, daily study of all contents complete it with the knowledge of the legal fountains of reference that will be quoted daily study of all contents explained. Attendance to practice classes is essential to a better understanding of the theoretical contents.

Didactic material

Commercial and complimentary laws.

It will be necessary to use the university institutional mail and tolls such as hangouts, messengers to ease to follow the classes. It will be necessary to have a PC with all the necessary programs installed (text editor, spreadsheet, presentation tools, etc.) We also recommend students to use memory devices (USB, CDs or DVDs) to make easier the interchange of information in presentations such as Power Point, exercises, case study, etc., during the face-to-face classes. We also recommend the use of calculator and access to the Internet.

Tutorials

Academic tutorial:

These tutorials have the aim of consolidating knowledge and abilities taught in the classes of the subject, at the same time will help to solve problems and doubts asked by the students. There will be an assessment and follow up of the different tasks in order to contribute to the understanding of the subject methodology and systems of assessment.

Personal Tutorial:

The university also has a Special Team that offere tutorials for the students enrolled in the degree. All students registered in UCAM have a personal tutor from the Special Tutors Team, when they register for the first time in the university; hence the student has this accompaniment during the complete university period. Criteria and aspects can be consulted in:
