

## CURRICULUM

Alejandro Blanco Fernández

---

### CV Resume

Alejandro Blanco is a Spanish Civil Servant that passed the Audit and control Management competition in 2005. He currently represents Spain in the council meetings of the working parties for structural action and Multiannual Financial Framework, giving advice to the Spanish government for the structural funds. He acts as the link with the European Commission and European Parliament for all the issues related to Structural funds, Multiannual Financial Framework, tenders and contracts and antifraud measures. Previously (2009-2015), he was advisor in the Internal Audit and Advice unit of the Directorate-General for Regional and Urban Policy, reporting directly to the Director General, giving advice to the Director General in Regional Policy issues and representing the unit in various taskforces, working groups and Directors' meetings in DG REGIO, meetings with the other Structural Funds DGs, OLAF and the European Court of Auditors and in meetings of negotiation and coordination with the Member States, such as the Coordination Committee for the European Structural and Investment Funds, the Expert Groups on European Structural and Investment funds and the Homologues Group of Audit Authorities annual meeting. In 2011, after years of research, he received his cum laude Phd on the impact of the European Funds in the Spanish economy during the 2000-2006 programming period.
