

## CURRICULUM

Mar Melgarejo

---

## CV Resume

She holds a PhD in Architecture (Universidad Politécnica de Madrid) and firmly believes that everyone has got a hidden creative potential that must be further developed. This firm conviction has led her current career as an innovation consultant that she combines with her role as a teacher. She guides and teaches organizations, corporations and individuals towards a more creative and innovative way to be. She is especially experienced as programme director for entrepreneurs and innovation.
