## PERSONAL STATEMENT

An interdisciplinary researcher, academic, and development professional that focuses on multifaceted social issues. She obtained her Ph.D. at UCAM in Social Anthropology in January 2022 through which she was trained as a social anthropologist. During her academic training throughout her doctorate, she has developed a profound understanding of anthropological critique as well as practical expertise in qualitative research methodology, especially ethnography through a wide combination of various research techniques. She completed her Master of Art in Development Studies with a specialization in International Political Economy and Development in 2009 from the International Institute of Social Studies (ISS) Erasmus University Rotterdam, The Hague (The Netherland). She graduated from Parahyangan Catholic University Bandung (Indonesia), where she was awarded a bachelor degree in International Relations. Besides her academic achievement, she has more than 15 years of professional experience working in a number of renowned international organizations such as The World Bank Indonesia and The International Criminal Court in The Netherland. She has been involved as a researcher and/or a consultant in a number of international projects in International Non-Government Organizations and Universities. She has published a number of thematic research reports, research articles, and a chapter in an academic book. Her current research focuses on the anthropology of migration, social media, and postcolonial feminism.
