Moratalla and its surroundings

In the middle of spring, we will visit the town of Moratalla and its surrounding area. It is one of the most important medieval towns in Murcia, a mountain town where you can find forest and rivers.

We will visit the town and go on a nature walk, with the possibility of swimming in the river if the weather is warm enough.

What does the trip include?

Tour of Moratalla's historic centre

Moratalla is another of the most important towns in Murcia's history. It is a mountain town where it even snows in winter. Its Arab origins can be seen in its houses and streets. Walking through its historic centre with our explanations will be the best way to bring that history to life.

Hiking route through the natural surroundings of Moratalla

The natural area around Moratalla is full of rivers, forests, paths, and untouched nature. It is a little-known corner of the Region of Murcia, but one of great beauty. It also has natural pools where you can swim in crystal-clear water.
