## STUDENT PROFILE

Students interested in joining the Degree of Dentistry at UCAM Catholic University of Murcia must demonstrate skills in basic sciences, such as Biology, Chemistry and Physics, and **manual dexterity with a developed power of observation, care and analysis**. Also, they should express interest in the problems of oral and general health of human beings and be willing to help, showing a clear commitment to service.

"The main thing I like about my program is that **it's very hands-on, and we get to do a lot of clinical studies and see many patients**, which is a great experience."

Jaedan Bangbol Sangma, *student of Bachelor's Degree in Dentistry.*

They must also have good study habits, organization, and the ability to act in **emergency situations**, ability to **work in teams**, both through **clinical events** and **projects for Dental Research**; Skills to establish interaction, listening and understanding with the patient and have the ability to adapt to changes, especially in new techniques used in dental practice.

## Curriculum

### 1<sup>st</sup> Year

### 3<sup>rd</sup> Year

Subject	ECTS	Type	Semester
Medical-Surgical Pathology II	6	CO	1º
Medical-Surgical Pathology III	6	CO	2º
Dental Pathology and Therapy I	12	CO	Annual
Oral Surgery	12	CO	Annual
Prosthodontics I	12	CO	Annual
Orthodontics I	12	CO	Annual

### 4<sup>th</sup> Year

Subject	ECTS	Type	Semester
Oral Medicine	12	CO	Annual
Dental Pathology and Therapy II	6	CO	1º
Orthodontics II	6	CO	1º
Prosthodontics II	6	CO	1º
Occupational pathology in dentistry	6	CO	1º
Oral Impacts of Systemic Diseases	6	CO	2º
Pediatric Dentistry	6	CO	2º
Dental Treatment of Patients with Special Needs	6	CO	2º
Periodontics	6	CO	2º

### 5<sup>th</sup> Year

Subject	ECTS	Type	Semester
Adult Clinic (Practicum)	12	P	Annual
Pediatric Clinic (Practicum)	12	P	Annual
Gerodontology	6	CO	1º
Emergencies in Dentistry	6	CO	1º
Avanced Periodontics	6	CO	1º
Esthetic and Adhesive Dentistry	6	CO	2º
Digital Dentistry and new Technologies	6	CO	2º
End of Degree Project	6		2º

### Optional

Subject	ECTS	Type	Semester
Dentistry and dietetics	6	OP	2º
Sports Dentistry	6	OP	2º
Theology	6	OP	2º
