"Being able to speak Spanish will help me a lot because I live in South America and most South American countries speak Spanish".

Vinicius Oliveria

1-Year Spanish Program student from Brazil

CAREER OPPORTUNITIES

- The main target of UCAM's 1-Year Spanish Preparatory Program is to provide students with the contents necessary to advance one stipulated skill level per course or year, depending on the number of hours per course.
- All our courses are set up in such a way that they facilitate teaching and learning activities according to the European Common Framework Criteria regarding languages (A1-A2- B1-B2-C1-C2).
- Certified teachers specialized in their respective mother tongue direct UCAM's language courses, including different activities that make learning both fun and interesting.
- Access to the official Bachelor's or Master's Degree in the Spanish Language.

WHY UCAM?

- Official Accredited Program (DELE)
- Personalized attention to students
- Reduced number of students per class
- Practical approach of the subjects
- Wide range of career opportunities
- New campus and infrastructures

OBJECTIVES

- Achieve the necessary abilities to cope spontaneously and naturally with the different situations of everyday routines (within professional, personal, public and educational fields).
- Develop communicative skills that enable the student to understand and produce oral and written texts and to interact efficiently with Spanish speaking people.
- Recognize the most known sociocultural features of Spanish world in order to get a general view of our cultural heritage.
- Identify and recognize the different social standards, behavioral patterns and customs of Spanish society.
