

## **SCHOOL INSURANCE COVERAGE FOR UCAM STUDENTS**

### **1. CONTINUATION OF STUDIES**

#### **Insured guarantees:**

- Death from any cause.
- Permanent total incapacity.

#### **Insurance conditions**

Only one head of the family unit will have the status of insured person; either the main breadwinner, father, mother or legal guardian appointed by court decision of the family to which the student under 29 years of age belongs; or the student himself, over 29 years of age, in the case of being emancipated.

#### **Insured capital**

The amount of the insured capital will be the equivalent of the cost of the registration fee, from the time of the incident until the completion of the studies if they are pursued with good results, and will be calculated according to the prices in force at that time, including the current year.

The general, particular and special conditions of the policy 30.000.747 issued by Caser Seguros and the policyholder Fundación Universitaria San Antonio are applicable. Any loss is subject to what is specified therein.
