

On September 04 2020 and in compliance with the requirements established in RD 592/2014 and in the UCAM University Internship Internal Regulations, the following objectives for the Business Internship were defined::

DEGREE IN BUSINESS ADMINISTRATION

Academic year: 2022/2023

Objective 1:	Give the student the possibility of establishing their first contact with the labor market.
Objective 2:	Offer a direct vision of the business world, from a completely practical perspective.
Objective 3:	Apply the skills and knowledge acquired in the Degree curriculum to the work environment.
Objective 4:	Offer the student the possibility of acquiring commitments and responsibilities, according to their academic qualification.
Objective 5:	Show the student the daily activity of a company or institution.
Objective 6:	Show the student the usual functioning of any of the different departments of a company: human resources, administration, accounting and finance, legal, marketing, etc.
Objective 7:	Show the student the nature of the relationship with the suppliers and clients of the company, the conflicting situations that can arise with both, and possible solutions.
Objective 8:	Show the student the daily development of the management function in the company: how all relevant information is obtained and processed at each moment and how the decision-making process is usually carried out.

ECTS credits:	6 ECTS: 140 hours in the company
Course:	4th course of the Degree in Business Administration
Type of subject:	Compulsory for all students
Duration:	Annual
Pre-requisites:	It is highly recommended that the student has passed all the basic and compulsory training subjects of the first three courses of the Degree curriculum.

Murcia, September 15th, 2022.

Mercedes Carmona

Vicedean of the Degree in Business Administration
