MESSAGE FROM THE UCAM´s FULL TIME MBA DIRECTOR

Welcome to the Full Time MBA class! I would like to personally thank you for the trust you put in the UCAM Catholic University San Antonio of Murcia and in our program.

UCAM's Full-Time MBA was structured to offer a solid formation in business administration to graduates from other fields of expertise – law, communication, engineering, arts, health, nutrition, retail or physical activity, among other industries – who want to develop their professional careers in in the area of business.

Core target of this Master's Program are international and Spanish university graduates from a variety of academic backgrounds apart from business, striving to gain advanced knowledge in the field of business administration, assessment and consulting as well as general management, strategy formulation and capacity planning.

After UCAM's Full Time MBA you will be ready to be entrepreneur, executive director, accountant, economist, project administrator, human resources expert or any other managerial position. To achieve this goal, the teaching faculty is composed by both academic lecturers and company executives who will help you developing your own knowledge and skills.

With a total of 60 ECTS credits, the UCAM's Full-Time MBA is an Official Master Program with recognition in all European Higher Education Area giving access to any PhD program. The 360 hours of lectures are complemented with a minimum of 140 hours of internship in a company and 990 hours of practical work – individual or in group. Moreover, the students should dedicate 1.5 hours a day, from April, to work on their Master's Project which they will present and defend in September.

The curriculum demands a high level of commitment, effort and organization of the daily work, in order to get our students ready to achieve their life goals.
